Upper Columbia Academy has had the privilege of coming to the Fox for our Christmas concert since 2007. Our students look forward to this performance every year, and Mr. Kravig and now Mr. Knipple and I have enjoyed the professionalism that they exude every time we come. We just want to say Thank-you to Brian, Joe, and all of the rest of the people here at the Fox Theater who take great care of us.

Also, many people have commented on the professionalism of our livestream. We would like to say Thank-You to Bob Lenz, Adam Colcord, and all of the students who make this possible every year. Finally, not a lot of academies have the privilege of performing in a professional venue. Our administration has supported this annual event for sixteen years. Thank you
